2:00 PM MDT: EPA Administrator Gina McCarthy Holding Media Availability in Durango, CO

DURANGO, CO - EPA Administrator Gina McCarthy will visit Durango, CO today to inspect response efforts relating to the release of waste water from Gold King mine, and meet with state, local and tribal officials and community members. McCarthy will hold a media availability in Durango for credentialed news media only about the response. Tomorrow, Administrator McCarthy will visit the response efforts in Farmington, NM. More details about the visit will be released as they become available.

WHEN: 2:00 PM MTN

WHO: EPA Administrator Gina McCarthy

WHAT: Administrator McCarthy media availability on the unified response to the Gold King Mine incident.

WHERE: Outside Gold King Mine Unified Command Center  
2500 Main. Ave.  
Durango, CO 81301

NOTE: The media availability in Durango will take the place of today's media conference call.

Subject: greetings Shaun,

Spense Havlick is writing a brief editorial for the Daily Camera and would like a brief comment. Spense would like to give EPA the benefit of doubt as he covers this story. Most useful from Shaun would be thoughts on best possible mitigation for the Animas (and Navajo Nation, etc.) and how to prevent future acid mine contamination in Region 8.

Best regards to Shaun from Boulder city council colleague.

This is Spense Havlick writing.....303-494-0664
